

Zayvier's Chicken Chase Memorial Trail

The Village of Eleva will soon have its own walking, running, biking and snowshoe trail around the Broiler Festival grounds adjacent to Eleva Lake. The trail will be a mile-long recycled blacktop surface that will wind its way through a wooded area along the lake and Big Creek and will come out into a beautiful open area overlooking the village and surrounding countryside. There will be benches along its course and plenty of gorgeous views as well. This trail is possible due to funds raised through Zayvier's Chicken Chase, a 5K and 10K race that is held each year during the Eleva Broiler Festival, a favorite time of year for Zayvier Barnes, who died in a tragic car accident in 2012 at the tender age of 9.

Now you too can honor the memory of a loved one or show your love and appreciation for someone special in your life by donating a personalized brick. Bricks can be engraved with their name, a message, the memory of a loved one, your name or your business name! All bricks will be installed in the trail and will be a lasting way to show your heartfelt appreciation. We are also offering the option to businesses to have their logo in custom metal signs which will also be installed in the trail to show your lasting support of our project!
