

Zayvier's Chicken Chase

10K Run • 5K Run/Walk

Memorial Trail is Nearly Complete!

This year is going to be special.

We are so close to the finish line that we can almost taste the victory! We have our incredible sponsors, donors and our faithful participants to thank for it.

Memorial Trail, like the completed restoration of Memorial Park in 2016, honors the memory of Zayvier Barnes, a huge fan of the Eleva Broiler Festival who lost his life in a car accident in 2012. This 3/4 mile trail will give individuals the opportunity to walk, run, bike and snowshoe in a beautiful setting behind Eleva Lake. Plans are in place to include lighting, benches and storybook "stops" along the length of the path to make it a family-friendly place to be. We are also offering businesses and individuals the opportunity to purchase personalized bricks which will be placed in a special location overlooking Eleva on the trail (if you are interested in this option, please see our additional flyer).

As always, 100% of the proceeds from the race go to Memorial Trail and its coming enhancements. We have decided to simplify our sponsorship this year and will welcome any amount you are willing to provide.

Will you help us finish and enhance Memorial Trail by sponsoring this year? Your sponsorship entitles you to having your name on the back of the t-shirt, website and posters plus race day recognition.

All sponsorship levels are available to businesses, organizations and individuals. In-kind donations are always welcome; please contact us via email (ZayviersChickenChase@gmail.com) or phone (715) 287-3456 to use this option. If you have a gift card/gift certificate for your business that you would be willing to donate to be used for awards to our top finishers, please let us know.

All sponsors are welcome to maximize your marketing by providing promotional materials of your choosing (*coupons, brochures, business cards, giveaways, etc.*) to be included in the participant bags along with the race shirts. Please provide 250 items and we will return to you any extras, if you prefer. Promotion of the Chase is already underway so **please return this form by Wednesday, April 7th** so we can include your information in all our marketing efforts as a sponsor. *Be sure to join us on race day at Eleva Lake Park on Saturday, June 5, 2021!*
