*Help Us Finish the Pickleball Courts!*

## Thanks to You, the Courts Are Built. Now Let's Finish Them!

Last year, with the generous support of our sponsors and community, we successfully installed pickleball courts at Eleva Lake Park. They are already being enjoyed by players of all ages!

This year, we are raising approximately \$15,000 to paint the courts, which will:

- Protect the surface and extend the life of the courts
- Improve playability and visibility of court lines
- Make the courts more attractive and welcoming
- Ensure this investment lasts for years to come

*With your support, we can fully complete this project.*

### Your Sponsorship Includes:

- Recognition through our website and social media
- Race day recognition
- Opportunity to include promotional materials in 250 race packets
- Community visibility and goodwill

**In-kind donations and gift cards for awards are also welcome.**
